PRESIDENT'S REPORT

Dear Members,

I hope everyone had a great Christmas and New Year and enjoyed time with friends and family. 2023 was a very busy year for the Subbranch Committee. 2024 is shaping up to be another big year with lots going on.

I personally want to thank all my committee for their time, effort and dedication they each put in, each and every month to continue to make our Sub-Branch a very organised and professional functioning Sub- Branch. This of course would not happen without the help of our fabulous Office secretary Lisa Cinicola. Well, done team.

My goal for this year is to try and make this year more fun for both the committee and its members. There will be a full calendar of sport and rec activities for everyone to get involved with. We do this for you, to get members out of the house and get everyone together from all over the Eastern Metropolitan area to meet and have a good time.

If there are activities you would like to see run, please mention them to Troy Nicoll your Sport & Rec representative.

At the last Subbranch meeting in December, I had the privilege of awarding two of our lovely Subbranch ladies the RSL Certificate of Merit. Congratulation to Barbara Urquhart and Edith Young for the time, effort, and leadership they have put in over many, many years for this Sub-Branch.

I am sure you all want to know when the club is due to open. I wish I could give you a firm date, but I do not have one. The building from the outside is looking great, but work is slowly progressing on the ground floor and level 1. The builders are doing their best to complete the build, but getting tradesman has been a problem and has slowed progress. I am hoping for April /May. I will keep you informed.

Preparations are now being made for the fit out of our Sub-Branch office. The Subbranch office gets prime position, right in the corner of the building on the 1st floor, corner of Bronte and Gray St. I am looking forward to sitting at my new desk.

Once we have moved in and settled down. Preparation will start for our Sub-branch 91st Anniversary of the Sub-Branch Charter. This will be a big party, in which you all will be invited to attend.

The renovation of the Subbranch unit on Bondi Road has been completed, and now has been leased.

Planning is now underway for our next major event Anzac Day 25th April in Waverley Park. I will not be in attendance this year, as I will be on holidays in Europe. I am sure it will be a successful day.

Yours Sincerely

Greg Goodieson

Sub-Branch PRESIDENT.

Greg Goodieson and Troy Nicoll presenting Edith Young and Barbara Urquhart with their RSL Certificates of Merit and Gold Bar at the December Quarterly Meeting. This is in recognition of their outstanding honorary service rendered to the League and the RSL Women's Auxiliary.

HONORARY SUB-BRANCH SECRETARY REPORT

A Happy New Year to all of our members as we approach 2024 and look forward to returning to our new Club premises. While the Board has decided to change the name of the Club from RSL it will still be our home within the new Club. We envisage two offices and an area for our members with a library, computer access and the memorabilia we saved from the old Club.

The elections last year in March saw the election of Greg Goodieson to my former position of President while I agreed to again take on the position of Honorary Secretary which I had held for many years to assist Greg with his transition from Vice President to President. Since the election Greg has embraced the position, which he will hold for 3 years, with enthusiasm and vigour and it bodes well for the sub-Branch to have younger veterans taking over the leadership. We also welcome Troy Nicoll as a Vice President who has also undertaken the role of Sport & Recreation delegate to State Branch and the EMDC and filling in as a delegate to the Eastern Metropolitan District Council until this year's AGM (Annual General Meeting).

It has been another busy year for your Executive and Committee with State Branch continuing to issue Circulars and amendments to the Standing Operating Procedures which must be considered and processed. The introduction of SOP 1 now directs all donations to its Veterans Support Fund thus not allowing our members to donate to other charities, sub-Branches and organisations which we have funded always in the past. (for example, the Swimming Club AIF Carnival, the Cancer Council etc.)

We continue to hold our monthly Committee meetings in the sub-Branch office at 905/3 Waverley Street and our Quarterly meetings at the Eastern Suburbs Rugby Leagues Club in Spring Street, Bondi Junction. Easts allow us to hold these meetings free of charge and they have done a wonderful job in looking after our members who attend these meeting.

I am not going into reporting on all of the events held in 2023 in this report as the Committee and I have provided full and comprehensive information to our members at the Quarterly meetings or by way of the Quarterly Newsletters. The main events were of course the presentation of Major Awards to Edith Young and Barbara Urquhart for the many years of hard work they carried out when we had a functioning Women's Auxiliary. I prepared the applications for the two Awards in 2020 and they were submitted and recommended by the District Council then and approved by the State Branch and awarded by the National Body of the RSL and then when returned the State Branch went missing until our President Greg, at the request of Barbara, followed up and they were located at State Branch. He was able to present them at the December meeting.

The other most prominent issue was missing out on the 90th Anniversary of our Charter which was issued on the 20th of July 1933. This was due to the fact we did not have a Club to enable recognition of such an important event, so the Committee decided to hold recognition of this important event in the history of our great sub-Branch in July this year at the new Club. We will recognise this important event with a function as we have done every five years.

The situation concerning the return to the new Club is currently not known due to shortage of materials and tradesmen and I hope I will be able to inform our members at the AGM which will be held at Easts commencing at 1100 hours on Sunday 17th March 2024, when the Club will re-open. Unfortunately, these things are currently well out of the Club's control.

Once again, the ANZAC Day and Remembrance Day Services were held at the Waverley Park and were well attended. Unfortunately, we did not have our own Club to continue with the usual ANZAC Day activities after the Service, and we will be looking towards Easts again this year if our Club is not yet open, which now is the case.

Once again, I thank you, the 40 or 50 members who continue to attend our Quarterly meetings for their continuing support. During the year we managed to recruit several Service members but to continue to survive we need to recruit many more.

The committee continues to ensure our properties at Patonga, Laurieton and North Haven are maintained to a high standard with regular inspections and addressing any repairs or by replacing damaged items. However, the property at Patonga is not returning anywhere near the expected rental returns and we will have to address this issue this year. The property at 2/50 Bondi Road has been completely renovated and has gone back on the market and been leased at a good rental return. I would like to thank our President Greg for becoming involved in finalising repairs, including painting the bathroom, and fixing some other small problems.

On behalf of the sub-Branch executive committee and all members, I extend sincere condolences and expression of sympathy to the families and friends of those departed in 2023.

VALE: DEPARTED COMRADES -

Keith DUNSMORE; Anthony MANNING; John Mc CARTHY; Peter POWER; Reginald Alfred SMITH; Edward WATSON.

Finally, once again my thanks to our committee for their commitment to their ever-increasing responsibilities and attendance in their own time whenever required. Our Welfare Officer, David Jeffrey with the assistance of Barbara Urquhart and Jeanette Kearney from time to time on his visits, continues to do a wonderful job looking after our members and any other person in need of support. I would also like to thank Sue Welman for the excellent job she did as our former Honorary Secretary and continuing as our Assistant Honorary Secretary taking the minutes at each meeting and recording them with our Office

Assistant Lisa Cinicola. Lisa continues to be the lifeblood of our organisation looking after the day-to-day enquiries from our members and working with me in keeping office running in a most professional manner.

Looking forward to another successful year and the return to our new Club premises.

Bill Harrigan

Honorary Secretary

During the year Mr. Harrigan was also recognised by the Waverley Council for his 27 years' service to the Community representing the RSL and his sub-Branch at all Commemorative events held during that period.

(It is the highest Award for services to the Returned and Services League of Australia and Bill is the second person from our sub-Branch to receive this award the other recipient was former President Tom Westwood.)

Congratulations to our Honorary Secretary Mr Bill Harrigan on receiving the Waverley Council "Local Hero Award" for his service over 25 years to the RSL and Waverley Community, presented on 22nd May.

SUB-BRANCH HONORARY TREASURER'S REPORT

Hello members,

It is with pleasure that I submit my annual report for 2023, a busy year indeed. I thank you all for passing the 2024 budget at the December quarterly meeting which has been submitted to RSL NSW for approval. We had an approximate return of 6% from our investments which in a volatile market is a good result. The expectation that interest rates will remain high for most of this year means our returns should reap good rewards for us. I thank Morgan Stanley and Ethinvest for their efforts in looking after our investment money.

The office is still being run extremely well with Lisa at the helm. President Greg is doing a wonderful job, and he has very big shoes to fill. Secretary Bill is enjoying his new role as well as fulfilling the role of property manager and I thank him and Joy for carrying out the inspections. To my fellow committee members, I thank you for the big time and effort required to carry out our duties on behalf of the Subbranch members.

In conclusion I thank those who attend the quarterly meetings and remember that these meetings are for you, so please if you are in attendance do not be shy in participating from the floor. I would like to wish you all a happy and healthy 2024.

WELFARE OFFICERS REPORT

Hi Everyone

Some sad news to begin with, former Sub-Branch President and Welfare Officer John Unicom, passed away just after Christmas last year. John was a kind man and doing so much to help others right up until the end. All involved with Welfare will greatly miss the advice & assistance John continually gave us. May you Rest in Peace.

A note of caution, Covid seems to be quite rampant in some parts of the community, so whatever you do please continue to take extra care. Especially us older ones, my doctor tells me it is important to have the latest Covid boosters ASAP. Plus be sure to check that your Shingles and Pneumonia vaccines are also up-to-date.

A very Happy Birthday to my assistant Vince Buchan who turned 90 years old recently. May we offer a big vote of thanks to you, Vince. Especially for all the help & advice you give with those quite difficult welfare questions and requests we receive from time-to-time. You always have an answer - Thanks again!

My thanks also to Barbara Urquhart for doing such a great job helping with our visits. It just makes the whole thing so much easier and enjoyable to have a smiley & cheerful face. Much appreciated.

If you know of a member in hospital or nursing home, please don't ever hesitate to give me a buzz and I will organise a visit. Maybe you might just like to have a chat - call anytime.

Hope to see you at the Quarterly meeting/AGM.

David Jeffrey

Welfare Officer

EASTERN METROPOLITAN DISTRICT COUNCIL REPORT

Hello members, The Council held its monthly meetings at its selected venues at the Maroubra Juniors at the Junction Club, the Paddington Woollahra RSL Club and at the City of Sydney RSL Club during 2023. Due to the dining room at the City of Sydney Club closing early the Council decided to only use the other two venues.

It was pleasing to see the Council gaining an Honorary Secretary capable of performing the duties in a prompt and effective manner. We also gained a new President due to Cain Slater finding it difficult to juggle his duties with his own professional business commitments. The new President has settled in very well and being one of the younger members of the RSL has provided a brighter future for our Council. Our sub-Branch President, Greg Goodieson is also a delegate and was re-elected to the position of Treasurer which he is handling extremely efficiently.

Due to time constraints not a lot happened during the year although State Branch continued to issue many circulars and changes to Standing Operating Procedures.

I thank my fellow delegates David Jeffrey and Troy Nicoll (Sports and Recreation) for the support during the year. Unfortunately, David has found it difficult to continue as delegate we will be looking another delegate to represent us in his place at the forthcoming Annual General Meeting.

W. T. Harrigan

EMDC Delegate.

Bronte Public School excursion to the Kokoda Track Memorial Walkway—20 Sept '23, accompanied by Bill Harrigan, David Jeffrey, and Troy Nicoll. This is annual event organised by the sub-Branch and available to any school or College in the Waverley Council District.

106th ANNUAL STATE CONGRESS 2023 REPORT

The State Congress was held again in 2023 at the Newcastle Convention and Exhibition Centre from 22nd October until 24th October, our sub-Branch was represented by David Jeffrey and myself.

Full records of the proceedings are available on the NSW RSL Website for those wishing to catchup on what took place, also the main points of the Congress were published in last year's final issue of Reveille.

The State President, Ray James, stood down after one term in Office and a new team of younger veterans was elected to the Board under the leadership of Mick Bainbridge, President,

Sophie Ray remaining as Chair of the Board, with fellow Directors James Hungerford, Jason Hazell, Louis Sullivan, Paul James (Ray's son) Charles New, David McCann, Phillip Chin and Sarah Watson, one of whom has since resigned.

This year's Congress will again be held at the Newcastle Convention and Exhibition Centre (Wests Rugby Leagues Club) and the dates are yet to be confirmed but they are looking at holding Congress over a weekend. Our Delegate and Alternate delegate will be elected at our Annual General Meeting on the 17th March at the Eastern Suburbs Rugby League Club.

RSL NSW SPORT & RECREATION REPORT

Hello members,

2023 was a fantastic start to the sport and recreation program, we held two highly successful coffee and wellbeing club morning teas with over seventy people attending from eight different sub-branches.

Planning is well underway to expand the sport and recreation program to incorporate a number of new activities in 2024 from golf, lawn bowls, walking club and looking at a midyear harbour cruise.

I would like to thank everyone that has attended our activities and we look forward to seeing more of you in 2024. If there is anything you would like to see or an event you would like the sub-Branch to participate in, please let us know. This program is about encouraging all members, veterans and their families to build their local networks and foster camaraderie in diverse ways through sport and recreation activities.

See you all soon

INDEPENDENT AUDIT REPORT TO THE MEMBERS OF BONDI JUNCTION- WAVERLEY RSL SUB-BRANCH

Report on the Audit of the Financial Report Opinion

We have audited the financial report of Bondi Junction-Waverley RSL Sub-branch ("Sub Branch), which comprises the statement of financial position as at 31 December 2023, the statement of profit or loss and other comprehensive income, the statement of changes in equity and the statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies, and the responsible persons' declaration.

In our opinion the accompanying financial report of the Sub Branch has been prepared in accordance the *Australian Charities and Not for Profits Commission Act 2012*, including:

- a) giving a true and fair view of the Sub Branch's financial position as at 31 December 2023 and of its financial performance for the year ended; and
- b) complying with Australian Accounting Standards - to the extent described in Note 1 of the financial report and Division 60 of the *Australian Charities and Not for Profits Commission Regulations 2013*.

Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the **Auditor's Responsibilities for the Audit of the Financial Report** section of our report. We are independent of the Sub Branch in accordance with the auditor independence requirements of the *Australian Charities and Not for Profits Commission Act 2012* (ACNC Act) and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter - Basis of Accounting

We draw attention to Note 1 to the financial report, which describes the basis of accounting. The financial report has been prepared for the purpose of fulfilling the registered entity's financial report responsibilities under ACNC Act. As a result, the financial report may not be suitable for another purpose. Our opinion is not modified in respect of this matter.

Other Information

The Committee is responsible for the other information. The other information comprises the information included in the Sub Branch's financial report for the year ended 31 December 2023, but does not include the financial report and our auditor's report thereon.

Our opinion on the financial report does not cover the other information and accordingly we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial report, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of the Committee Members for the Financial Report

The Committee of the Sub Branch is responsible for the preparation of the financial report that gives a true and fair view and have determined that the basis of preparation described in Note 1 to the financial report is appropriate to meet the requirements of the ACNC Act. The Committee's responsibility also includes such internal control as the Committee determine is necessary to enable the preparation of a financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the Committee is responsible for assessing the Sub Branch's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless the Committee either intend to liquidate the Sub Branch or to cease operations, or have no realistic alternative but to do so.

Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if,

BONDI JUNCTION WAVERLEY RSL SUB-BRANCH

ABN: 53 876 725 649

individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial report.

A further description of our responsibilities for the audit of the financial report is located at the Auditing and Assurance Standards Board website at

<http://www.auasb.gov.au/auditors-responsibilities/ar4.pdf>. This description forms part of our auditor's report.

We communicate with the Committee regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Yours sincerely
